CONFERENCE SPEAKERS

John Croyle

The History of Big Oak Ranch

John was a defensive end for the University of Alabama's 1973 National Championship football team, playing for the legendary Coach Paul "Bear" Bryant. At 19, John felt he had been given a gift to work with young people. His dream was to have the best children's home in America.

Since 1974, nearly 2,000 children have called Big Oak Ranch home. Having learned a lifetime of lessons helping raise nearly 2,000 children, John will share his inspiring story that you will not want to miss.
